“Edelweiss Logistics ” MMC

A large, faint, light blue watermark of the Edelweiss flower logo is centered on the page, behind the main title text.

**HEALTH , SAFETY & ENVIRONMENT
POLICY STATEMENT**

	DOCUMENT NO.: EDWL – SMS – PLC – 001	DATE: 25.01.2022 REV. NO.: 02 PAGE 2 OF 2
DOCUMENT TITLE: <p style="text-align: center;">HSE MANAGEMENT SYSTEM</p>		

The long-term business success of EDWL depends on our ability to continually improve the quality of our services while protecting people and the environment. Emphasis must be placed on ensuring human health, operational safety, environmental protection, quality enhancement, and community goodwill. This commitment is in the best interests of our customers, our employees and contractors, and the communities in which we live and work, and this is echoed in company's procedures, guidelines, programs and practices.

We believe that all accidents can be prevented and that safety is an integral part of everyone's job.

Company's Safety Vision

EDWL's vision is to become a one of the leaders in international logistic operations in Eurasia, with a robust safety culture, committed to working towards to and sustaining the goal of injury free workplace, operation and zero harm to the environment.

Safety Philosophy.

- 1) All Accidents and Injuries can be prevented
- 2) Safety is everyone's responsibility
- 3) We must be proactive in improving safety
- 4) Working Safety is a condition of employment
- 5) We must work safely and productively at the same time
- 6) Continuous improvement on quality of our services through robust Training Plan
- 7) Compliance with local and international legislative norms and requirement
- 8) Communicate openly with stakeholders and ensure an understanding of our HSE policies, standards, programs and performance. Reward outstanding QHSE performance.

Guiding Principles.

To achieve the purposes and principles above, company shall:

1. Maintain and continually improve organization's Safety Management System.
2. Comply with all local HSE legislation and complying with all aspects of the internationally recognized certification systems ISO 45001:2018 (on Occupational Health & Safety Management Systems), ISO 14001:2015 (on Environmental Management System) and ISO 9001:2015 (on Quality Management Systems) to the level of "certification-ready" as a minimum.
3. Take a stance of zero tolerance of the conditions and behaviours that contribute to workplace incidents and environmental damage, which also have a negative impact to the business.

This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our basic obligation to comply with EDWL standards, as well as all applicable laws and regulations where we operate. Through the active participation and commitment of all EDWL's employees and customers, we will strive to meet and exceed the requirements of this Policy.
